

We stand ready to guide you during the viewing of a house or apartment in a safe way.

You too ?

Go through this checklist to ensure the necessary precautions for staying safe are met:

- Always apply **social distancing** and take care to keep at least 1.5m away from the Immo Selekt broker
- Limit the duration** of the visit and if necessary contact the broker (by telephone) after the visit for further discussion.
- Do not shake hands**
- Never visit** a house or apartment **without an appointment**
- Do not come to the office of Immo Selekt without an appointment
- Only perform viewing of the house or apartment with a **limited amount of people**
- Do not touch anything during the viewing.** The Immo Selekt broker will open all doors, windows and / or cabinets
- Bring your **own mask** and wear it during the entire visit
- Respect the timeslot proposed by the Immo Selekt broker
- Do not be late** and keep the visit short and to the point
- Stay at home in case any of the following complaints:** colds, runny nose, sneezing, sore throat, mild cough, increase in body temperature, ... and cancel the appointment. The Immo Selekt broker is happy to make a new appointment at a later time.
- Stay at home if one of your family members has a fever** and / or shortness of breath and cancel the appointment.
- Always follow the broker's instructions 😊

Draag zorg voor
jezelf en voor elkaar

Ps: if the government would ease these measures in time, this checklist can be further modified
